

**American  
Red Cross**

Celebrating a Century  
in the Mid-South

## Volunteers Needed Join the American Red Cross ***Disaster Action Team (DAT)***

Every day people are forced from their home due to fire, storms or other disasters. Last year alone, Mid-South DAT volunteers helped more than 900 families that lost their home to fire.

You can offer help and hope to these families. DAT volunteers respond day and night to meet the emergency needs of victims of house fires, storms, tornadoes, floods, and other disasters. Assistance given may include shelter, food, clothing, emotional support, prescription medication, and other critically needed items. Learn how you can get involved.

### **Disaster Action Team Training**

**Saturday, July 21, 2018**

**9:00-1:00**

**Oakland Fire Department – Training Room**
