Town of Oakland Grass and Weed Control Specifications 2024

The Town of Oakland is requesting quotes on grass and weed control for multiple parks and ballfields. Please include pricing for potential one, two and three-year options. Treatments shall include fertilizer, broadleaf weed, crabgrass and pre-emergent weed control.

Quotes, if mailed or hand delivered must be in a sealed envelope with the vendor's company name and contact information on the outside. Each quote must be labeled "Weed Control". Quotes may be mailed, hand delivered to Oakland City Hall, P.O. Box 56, Oakland, TN 38060 or emailed to hellis@oaklandtn.gov Wednesday, February 14, 2024.

Below is a list of locations and number of treatments requested.

Location	Number of Treatments
